transaction came to the surface, 5

**MANAGER HEDEMANN
GOES TO JAPAN**Manager Hedemann of the Hono-
lulu Iron Works, accompanied by
Mrs. Hedemann, departed for the
Far East yesterday on the Nippon
Maru.The cause of this move by Man-
ager Hedemann is the fact that in-
formation has reached these shores
of the possible manufacture of a
number of sugar mills in Japan for
the sugar estates on Formosa.The manufacture of sugar mills
by the local iron works has arrived
at that state of perfection that the
local company is somewhat jealous
in the premises, and the object of
Mr. Hedemann's visit to the foreign
shores is to be on the ground and
take a personal part in the new sugar
mill manufacturing deal.The perfection and perfect work-
ing of Honolulu-made sugar machin-
ery can not be equaled the world
over, and Manager Hedemann leaves
with perfect confidence of capturing
the new contracts.**FREE DISPENSARY
TREATS ALL**The records kept by the govern-
ment regarding the service at the
free dispensary show that the Rus-

number of applications for aid and
medicine. This honor has heretofore
been held by the Portuguese, but
they must now take a back seat.
During the month of May 297 Rus-
sians applied for treatment and were
accommodated, while only 197 Por-

month were 444.Those in charge of the free dis-
